[Blog at WordPress.com.](#)

Selecting a wedding ring may be one of the hardest tasks to accomplish when prepping to get married. Not only do you need to find a style that suits your personal aesthetic, but you also need to decide on a piece you'll be happy to wear for the rest of your life (tough, right?). But for those who subscribe to more [minimalist aesthetics](#), we're about to make life a little bit easier for you.

Equal parts simple and discrete, dainty [wedding rings](#) are a popular and great choice for those with pared-back and streamlined tastes. They're also a versatile accessory, one that's offered in a variety of metal hues and styles, and though they tend to be more delicate than most wedding bands, many iterations still feature diamonds and other unique detailing. What's more, some retailers even provide [customization](#) options to help you find a ring that feels special to you and your big day.

So, if you're one of the many people who need help finding a [wedding band](#), luckily, you've come to the right place. Ahead, we rounded up 10 dainty wedding rings that are sure to make a subtle statement once it's time to say "I do."
